How can AAH be helpful to you?

Anything else we should know?

AAH Commitment to its Community Partners:

- AAH will proudly list your organization on our website as a resource
- AAH will provide you with an AAH Community Partners Website badge
- AAH will utilize your organization as a resource for local inquiries, and will make referrals
- AAH can offer you resource materials such as sample social media postings/images, letters to the editor, etc.
- AAH will host Community Partners webinars on topics of interest (e.g., fundraising, events, research)
- AAH will keep Community Partners updated on important community issues, including research and advocacy news, with opportunities for action when appropriate
- AAH will keep Community Partners updated on research news, advocacy information, and other news with periodic e-newsletters

Please print application, complete it and email the completed application to Celeste@theakf.org
